

2010 Insect Spectacular Workshop and Collection Trip

The 2010 Insect Spectacular Entomology Workshop will be co-hosted by Barber and Pawnee Counties this year. It will be headquartered at the Central Community Center building in Hardtner, Kansas in Barber County. Hardtner is located on Highway 281 close to the Oklahoma – Kansas state line. The Community Center building is located on Highway 281 at 301 East Central Street (see map). It is an old school building.

Saturday, June 26: Registration will begin at 8:00 a.m. We will have a short general meeting followed by activities including games, tour of an insect museum exhibit, collection trip and classes including relaxing insects, dragonflies, and light traps. There will be a Judging Contest available. Also reference books, an insect collection, and personnel will be available to help with insect identification. Insect equipment will be available for purchase. **Friday evening, June 25** we will have black lights set up for night collecting behind the Community Center. This is available to anyone who wants to come early and participate. There is no extra charge for this activity.

The Workshop is open to anyone interested in insects – 4-Hers, Scouts, Teachers, project leaders, etc. Participants need to wear comfortable clothes and shoes – no sandals or flip-flops please. If you wear shorts, please bring long pants for the collection trip. You will also need to bring insect/tick repellent, sunscreen, collection net, and lots of specimen containers. If you have insects you need help identifying, bring them along.

There will be some exhibit boxes with plexiglass lids available for purchase at the Workshop for \$30 each, payable at the time of purchase. They will be sold on a first come-first served basis. The exhibit box line on the registration form is for our information only so that we know how many boxes to try to have available. **DO NOT** pay for these in advance with your registration.
